Panoramic views of green! Within minutes of downtown! Nestled between Asheville and Weaverville on 2.08 +/- acres with mountain views and fruit trees on site. This home is the perfect escape from city life while still being within short reach of restaurants, shopping, and all that Western NC has to offer. This newer build includes a large kitchen with lots of counter space flowing into a vast, open main living area with vaulted ceilings, bar, and massive sunroom. Modern touches throughout, including wood burning see-thru fireplace. Two bedrooms and two bathrooms on main level, master suite on upper level, and another ensuite below with den, full bath and additional space. Outdoor expansive new deck offers ample room to entertain friends and family. Large three car garage, utility room and excessive storage space for all your needs. Property includes lots 12 and 5.
